

Delta Sigma Pi - Atlanta Alumni Chapter

2010/2011

Our heritage has guided us, Our leaders will lead us, Our future is in your hands.

The Atlanta Alumni Chapter (AAC) has as its Mission: To recognize and develop a well-balanced program, therefore enriching the brotherhood and the community. We strive to focus on the fraternity and community as a whole and give everyone some of what they are looking for when they join the Atlanta Alumni Chapter.

Welcome from Our President

Dear Brothers,

Hello and welcome to a new year at the Atlanta Alumni Chapter. First, I am happy to introduce our talented list of officers for the upcoming year: President – Amber Wicknig; VP Professional - Scott Madden; VP Membership –Terron Quarterman; Treasurer – Carrie Burns; Secretary & Newsletter – Jennifer Geck; Director of Community Service - Gina Oleksinski; Director of Social Activities & Foundation – Karon Drowniak; Director of Relay for Life – Meghan Hill; and Web Chair - Carrie Burns.

Thank you to the past officers for making the transition for the new board an easy one and welcome to the new and returning officers. We've planned a really great year, and our new calendar has something for everyone. Dues will remain at \$35, with an early bird rate of \$30 if paid on or before August 28!

Our Kick-Off event is right around the corner! The Bill Borland Picnic is 5 PM on Saturday, August 28th

at Kingsley Racquet & Swim Club in Dunwoody. To make this annual event more fun, this year the picnic is a pool party! Bring your swimsuits!

This year we are continuing our goal to boost our membership and become more involved with our Collegiate Chapters, keeping open lines of communication between myself and the surrounding Chapter Presidents. Based on the results from the survey that was conducted in May, we have tailored our calendar toward professional development with an emphasis on topics that better fit our membership. Please keep your eyes peeled for Evites to these great events!

I look forward to serving the Atlanta Alumni Chapter this upcoming year. I welcome any feedback and new ideas, so please do not hesitate contact me.

Fraternally yours,

Amber Wicknig

MEMBERSHIP

“Brothers helping brothers.”

Whether you are well established in your career, just starting out, or searching for your next position, now is a great time to develop bonds with fellow Deltasigs. The alumni chapter has a rich program of professional, social, and service events that will allow you opportunities to network and develop ties with the brothers of Delta Sigma Pi – your brothers for life!

Our membership goal for 2010-2011 is 90 members and 50 Friends of Atlanta (brothers outside of the Atlanta area who wish to be included in our network and communications). The alumni chapter is becoming more involved with other chapters in our area (collegiate and alumni). The increased networking will help our chapter enhance brotherhood and business connections. I encourage you to visit our website at www.dspatlanta.com and click “JOIN” to become an Atlanta Alumni brother.

I look forward to serving you and the chapter this year. Please let me know if you have suggestions to improve the value that you receive from this chapter. And I look forward to seeing each of you at the picnic on August 28th!

Terron Quarterman
Vice President of Membership

Professional Activities

This year’s professional meetings will focus on improving your bottom line either by offering moneysaving ideas or helping you get ahead in your career.

Our first dinner meeting is on September 8th. *Please note: this is the second Wednesday of the month.* We will be meeting at the Hilton Garden Inn at Perimeter. After this meeting we may be rotating locations so keep an eye out for the Evites and website! I am looking forward to being Vice President of Professional Activities and delivering what is sure to be an exciting program.

Scott Madden
Vice President, Professional Activities

Community Service

Are you ready for some football? I mean community service events! Sorry, I was daydreaming about the cool weather that the fall season will bring! We had such a great time last year serving the Atlanta community that we are bringing back a number of our annual events and we have added a few new ones into the mix.

We will begin our events in October by participating in the Make a Difference Day program. We will cook and serve dinner to the house guests of the Ronald McDonald House near the Emory University campus. Many brothers attended this event last year and with the state of the art kitchen at this facility cooking is VERY easy. And, similar to last year, we will have an “expecting mother” helping with the meal ... ME!

Our calendar of events will be: awarding the Bob Busse service award and collecting canned food for the Atlanta Community Food Bank during our Founders’ Day brunch (November); collecting Toys for Tots at our annual Holiday Party (December); serving as ambassadors to Olympic Town for the Special Olympics of Georgia Winter Games (January); participating in the Provincial Council service event (February); collecting business clothing for Dress for Success (April); and enjoying the camaraderie that has become an annual event with Relay for Life (May).

Since “participation in serving the community” is tied with networking as a top reason Deltasigs join an alumni chapter, be sure and look for the Evites in your Inbox this year and come on out for a good cause!
